

AKRAM KUWATLI

Software Engineer | React Developer | [Github Link](#)

Highly motivated Informatics Engineering graduate from Homs University with a strong foundation in software development, data structures, and algorithms. Passionate about problem-solving, technology, and innovation, with hands-on experience in building web applications and dashboards. Skilled in React, Front End, and modern frameworks, with a keen interest in creating efficient and user-friendly digital solutions. A quick learner and team player.

Experience

Ovanya **2023 | 2024**

Developed and maintained responsive web applications, Collaborated with cross-functional teams to deliver 10+ client projects on time, meeting all quality standards. Implemented new features and resolved bugs. Enhanced user experience by integrating modern UI/UX practices. Utilized tools like React, Vite, and REST APIs to build scalable and maintainable front-end solutions.

Projects

A Social Media Platform for Kids

Created a child-safe social media platform with three dashboards for kids, parents, and content creators. Implemented parental controls, screen-time management, and secure content moderation.

Admin Dashboard

Developed a React & Vite-based admin panel to manage trips, employees, vehicles, and statistics. Integrated NivoCharts and secure authentication for efficient data handling

Payment Dashboard

Built a payment management system to track payment statistics and wallet transactions, featuring data visualization, API integration, and authentication.

Memory Game

Designed and developed a React-based memory game, where players match two emojis based on memory. Used React state management, animations, Assistive Technology, and event handling for an engaging user experience.

Education

Homs university (albaath previously)

Bachelor of Science in Informatics Engineering
2019 - 2024

Skills

React
Javascript
HTML | CSS
C++
JAVA

Languages

ARABIC : Native
English : Fluent

Intrests

Chess : Love strategic thinking and problem-solving through chess.
Football :Enjoy playing and watching football, staying active and competitive.
